Hong Kong will be the hub of an art paradise this week. ART HK 10 will reflect Hong Kong's 'Gateway' status in presenting a unique opportunity for collectors to see and buy work of a quality and geographical diversity not available anywhere else in the world. ART HK will be the showcase for international Modern & Contemporary Art in Asia with over 150 galleries participating from 29 different countries.

SAKSHI GALLERY: Mumbai

Ranbir Kaleka - Viewing Ranbir Kaleka's work is like a manipulation of time in which one may both experience the moment of action as well as view it from above. The works bring back nostalgia steeped in surrealism.
